PAKISTAN ENGINEERING COUNCIL

CALL FOR EXPRESSION OF INTEREST (EOI)

Join as Employer Partner Organisation in the Graduate Engineer Trainee (GET) Placement Program

Pakistan Engineering Council (PEC) is launching the **Graduate Engineer Trainee (GET) Placement Program** – a flagship national initiative aimed at providing fresh engineering graduates with structured, hands-on industry exposure through a six-month, PEC-funded placement. There will be no financial burden on partner organisation.

This program is designed to:

- Bridge the academia-industry gap
- Enhance employability of young engineers
- Support organisations in talent identification
- Facilitate issuance of First Professional Practice Certificate to fresh PEC Registered Engineers

PEC invites Expressions of Interest (EOI) from leading public and private sector organizations, engineering companies and industries across Pakistan to participate as host partners in this high-impact program.

As a partner organisation, partners are supposed to:

- Host and mentor Graduate Engineer Trainees within their organisations
- Provide practical exposure & training aligned with engineering profession and related office and management knowledge
- Participate in playing national role in developing Pakistan's engineering workforce
- Work jointly to achieve structured learning objectives and support evaluation framework

Details are provided in the program pack available on the PEC Website and GET Portal.

Apply Now via PEC GET Portal:

<https://accrd.pec.org.pk/partner-registration>

Application Deadline: 25th August, 2025

For Queries: placement@pec.org.pk
